House Corporation Meeting Minutes
July 27, 2010 at 6:30pm

- Financial Review
 - The HC is now a tax exempt organization.
 - The alumni events have not been as profitable as years past so future event planning has to be mindful of budgets and expenses.
 - An idea was circulated to contact previous scholarship winners to ask them to donate towards the scholarship.
 - A financial review will be held in October once numbers have been finalized from Stevens.
- Fall Homecoming (September 25th)
 - Pete met with Ken Nilsen and Russ Rogers prior to the HC meeting and a potential reception may be held at the house before the men's soccer game to honor Walt Stamer and Eric Stanley for being inducted into HOF.
 - The HC will buy tickets to the sporting event for all interested alumni and the HC may potentially make a donation to Stevens' athletics to help sponsor the day or purchase seats in the stands. Pete will check on status of the seats.
 - Delt banner supporting athletes – Pete will check with Joe Llano about price and where it was purchased.
 - We will put a link on our website so alumni can register through our site.
- Chapter Advisor search
 - Members of HC to email Pete with potential names to fill the chapter advisor and secretary position.
 - Pete will check to see if Anthony Albanese can work with our chapter while also working with Lehigh.
- Dave Bencze scholarship update
 - Bruce is coordinating with Stevens and Dave and will keep the HC up to date as to future meetings and/or dinner.
- By-Laws
 - Tabled to next meeting.
- Rho Chronicle update
 - Options were discussed to reduce the cost we spend on Stewart Howe for mailings and the Rho Chronicle.
 - Ed will investigate the possibility of using the Stevens Alumni office to send out the Rho Chronicle and any mailings. Ken H. will follow up with Ed.
 - Ken and Migs will reach out to Stewart Howe to obtain an itemized list of our costs with them so that we can begin to trim our costs.
 - We will decide at the next HC meeting if we want to raise the dues to \$45 for the first 5 years out of school and then \$75 after 5 years out.
